Dear FIELD(7):

As of the end of the 2025 Fall Semester, your current academic status is that of academic warning because your cumulative grade point average has fallen below 2.000 ("C" average), which is required for good academic standing. **This means you must do the following by the end of your next semester of enrollment or your status will be that of academic probation or academic suspension/dismissal:**

1. You **must** raise your cumulative grade point average to 2.000 or higher in order to achieve good academic standing, OR
2. You **must** have a semester grade point average of 1.000 or higher to be allowed to continue on academic probation.

A review of your records indicates that you have:

- Attempted FIELD(8) semester hours at WIU.
- Earned FIELD(9) honor points.
- Earned a cumulative grade point average of FIELD(10).
- An honor point deficiency of FIELD(11).
- Received FIELD(12) academic suspensions/dismissals.

The honor point deficiency represents the number of semester hours of "B" (3.0) grades that are needed in order to raise your cumulative grade point average to 2.000 and good standing status, with no grades less than "C" (2.0). This calculation does not take into account the potential impact of repeating a course at WIU and replacing the previously earned grade under the Grade Replacement Policy.

Note: Because you are in academic difficulty, you may not enroll for more than 16 semester hours, and you may not enroll exclusively in courses graded satisfactory/unsatisfactory. You are not eligible to enroll in courses for pass/fail.

Academic difficulties may be a result of many things, including course loads, time mangement, study habits, lack of motivation, and/or a variety of other personal issues. **Exploring the services available to assist you is strongly recommended at this time.** Please visit the Student Learning Center online at wiu.edu/slc or call their office at (309) 298-1871. If additional assistance is needed outside of academic success resources, you may contact the Student Development and Success Center at SDSC@wiu.edu or the University Counseling Center at UCC@wiu.edu.

If you have any questions regarding your academic situation, please contact your academic advisor or my office at R-Office@wiu.edu.

Sincerely,

Sarah Lawson
