Webinar Overview:

Are you an early-career faculty member looking for research funding? Join this webinar to learn about opportunities available to faculty members ready to get started on new and innovative research projects. McAllister & Quinn staff and grant consultants will review funding available from the National Science Foundation, National Institutes of Health, and other federal agencies, share insights on how to be competitive, including tips and tricks on how to prepare your proposal.

Who Should Attend?

Grants Officers, early career faculty, and/or faculty involved in new research.

About McAllister & Quinn:

[McAllister & Quinn](#) provides higher education clients with comprehensive, personalized services to help them execute and exceed their short- and long-term strategic priorities for increasing external funding opportunities. McAllister & Quinn is recognized as a field leader and has a proven track record of delivering tangible results. We have generated more than \$650 million in revenue on behalf of our higher education clients and helped enhance and expand Federal engagement efforts.
