FAMILY SWIM WAIVER INFORMATION

Western Illinois University is committed to conducting its recreation programs and academic activities in the safest manner possible and holds the safety of participants in the highest possible regard. As a participant in the program, I recognize and acknowledge that there are certain risks of physical injury, both from the activity itself and the equipment being provided, and I agree to assume the full risk of any injuries (including death), damages or loss, which I may sustain as a result of participating in any and all activities or the use of any and all equipment connected with or associated with such program. Western Illinois University continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that Western Illinois University does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves for a program or activity should review their own health insurance for coverage. It must be noted that the absence of health insurance coverage does not make Western Illinois University automatically responsible for the payment of medical expenses.
