

2019-2020 Financial Aid Comparison Worksheet

Overwhelmed with financial aid award letters?

Use the following to create a side-by-side comparison of aid offers you have received

Direct Costs are charged to you by the college & will be included in your university bill.

You will also want to consider **Indirect Costs** which are other education-related expenses such as books, supplies, personal expenses, transportation home, etc. but are not due directly to the university.

You will want to include any financial aid that will go towards paying Direct Costs.
