I am requesting a special review of my 2022-23 financial aid application because my parents paid at least \$1,500 for grade/high school tuition in 2020-2021.

- I have attached a statement from the **grade/high school(s)** showing the tuition my parents paid in the 2020-2021 academic year for each child in our household.
- I have completed the chart below.

Child's Name	Tuition Paid in 2020-2021 (excluding books and college expenses)
