Fire Protection Services – Fire Administration Option

The 2+2 is a four-year plan that leads to a Bachelor of Science degree in Fire Protection Services at Western Illinois University. Students intending to complete a baccalaureate degree in Fire Protection Services from WIU should follow the Associate in Applied Science degree program outlined in this brochure from College of DuPage. Students who complete the Fire Science Technology degree at COD may transfer to WIU and complete their degree in Fire Protection Services in an additional two years.
