Associate in Arts to BA - (Studio) Art Option

The Bachelor of Arts (BA) in Art is a liberal arts degree, with a focus on art, but in the context of a broad program of general studies. Students who complete the Associate in Arts (AA) degree at McHenry County College (MCC) may transfer to Western Illinois University (WIU) and complete their BA degree in Art in an additional two years.

- The 2+2 is a four-year plan that leads to a Bachelor of Arts in Art at WIU.
- The AA degree with a focus in art and design at MCC provides preparation for students planning to pursue the BA in Art at WIU.
- The courses shown on this plan should be completed in order to earn your BA degree in a timely manner; however, **you are not required to take courses in the sequence shown below.**
