University Technology Advisory Group (uTAG) Meeting Agenda

Wednesday, March 11, 2026 • 3:00 PM CDT

Agenda

1. uTAG Coordinator (John Shiraki)
 - Welcome
2. Director of University Technology update (Robert Emmert)
 - No Updates this month.
3. Simulated Phishing Training Presentation (Jeremy Merritt)
4. IT Governance (ITG) update ()
 - No updates
5. ERP implementation – (Stacie Hunt)
 - Slate CRM - The admission application is live. We will now start working on prospective and inquiry student communications and event management within Slate. We're hoping to process applications in Slate starting mid-summer 2026.
 - We continue to work on Ellucian Colleague configurations, data migrations, data integrations, and report creation.
 - We have purchased the Emburse Travel & Expense Management software to integrate with Colleague to handle expense management workflows. We hope to use this starting FY27.
 - We are looking at an administrative e-commerce solution to integrate with Colleague Accounts Receivables module.
6. University Technology updates
 - Network and Data Center and Information Security (Dan Romano)
 - No significant updates
 - QC Technology (Jeff Calhoun)
 - No significant updates
 - User Support Services (Robert Emmert)
 - No Updates
 - Business Applications (Robert Emmert)
 - No Updates
 - Online Teaching and Learning (Dawn Sweet)
 - Fall '26 courses are set to include the UCNI homepage and navigation bar. We encourage faculty and instructors to read the announcement placed in their courses regarding banner and table of contents change requests for their course homepages.
 - OTL has released new self-guided training for Regular Substantive Interaction (RSI). Anyone interested in completing the training can register on the [Webinar and Events](#) page.
